Ad Fontes' New Online Fundraising Program

We're participating in the Interstate Batteries Online Fundraising Program, and we need your help...

Instead of buying batteries for your home and business at the local mega-mart, buy them online from Interstate, and we will get 30% of the total sales! The Interstate Batteries products are ordered online by donors and anyone else across the country who wants to support our growing ministry. Customers select everything they need, and Interstate will ship the order directly to their doorstep!

This fundraising program offers every battery you could need for your home or business: alkaline batteries for toys, flashlights, remotes, hearing aids, watches, and more. You're always buying more batteries at the store — we're simply asking you to make your purchases through the Interstate website instead, so the proceeds can go to benefit the ministry of Ad Fontes.

Here's How It Works:

- Go Online — The address is www.InterstateBatteries.com
- Follow these four easy steps:
 1. Find and select all the batteries you need for your home and business.
 2. Enter your shipping information.
 3. Enter your form of payment.
 4. Enter the coupon code **AFDH** to link the sale with the efforts of Ad Fontes.

EVERYBODY WINS!!

You get a premium product that's delivered straight to your front door while helping us by partnering with the ministry at Ad Fontes.
